

Prompt for Replit Agent: Build the Official Website for Ikoranabuhanga Rigezweho®

Goal:

Design and develop a modern, responsive, and bilingual-ready website for **Ikoranabuhanga Rigezweho®**, a Rwandan social enterprise empowering youth through digital literacy, ICT mentorship, and responsible technology use.

1. ORGANIZATION CONTEXT

- **Name:** Ikoranabuhanga Rigezweho®
- **Tagline:** *Building Rwanda's Future through Digital Literacy and Mentorship*
- **Mission:** *We aim to nurture a young tech-savvy community equipped with digital skills, mentorship, and ethical ICT awareness to drive Rwanda's transformation.*
- **Focus Areas:**
 - Digital Literacy Training
 - ICT Career Guidance & Mentorship
 - Community Outreach & Responsible ICT Awareness
- **Alignment:**
 - **Rwanda NST2 Pillars:**
 - Economic Transformation – advancing development through technology
 - Social Transformation – training citizens in technology skills
 - Good Governance – improving governance through technology
 - **UN SDGs:**
 - SDG 4 – Quality Education
 - SDG 8 – Decent Work and Economic Growth

- SDG 9 – Industry, Innovation, and Infrastructure

- **Contact:**

- Joe Sure Gasore – Founder & Project Lead
- Tel: +250 788 331 033
- Email: info@ikoranabuhanga.tech
- Website: www.ikoranabuhanga.tech

2. WEBSITE STRUCTURE & CONTENT OUTLINE

A. Home Page

- Hero banner with tagline and call-to-action (“Join Our Mission”)
- Overview of Ikoranabuhanga Rigezweho® and short impact stats
- Three focus pillars (Digital Literacy, Mentorship, Community Engagement)
- Quote section: *“We aim to nurture a young tech-savvy community.”*
- Carousel or grid of partner logos
- Footer with contact info and social links

B. About Page

- Background and story of the initiative
- Mission, Vision, Core Values
- Infographic or section showing alignment with NST2 and SDGs
- Profile of Founder (Joe Sure Gasore) and team
- Download link for full Concept Note (PDF)

C. Programs Page

Showcase key programs with brief overviews and “Learn More” modals:

1. **Digital Literacy Clubs (“Ikoranabuhanga Clubs”)** – activities, impact, and gallery
2. **ICT Career Guidance & Mentorship** – mentor registration, testimonials, events
3. **Community Engagement & Awareness** – Digital Awareness Week, workshops

D. Get Involved Page

- “Partner With Us” (For schools, NGOs, government agencies)
- “Become a Mentor” (Registration form)
- “Volunteer or Donate” options (with email or payment placeholders)
- Contact form linked to info@ikoranabuhanga.tech

E. Resources / News Page

- Downloadable reports and one-pagers
- Blog or updates about events and success stories
- Embedded videos and photos of activities

F. Contact Page

- Address (NR24, Rwanda), phone, email
- Simple contact form (name, email, message)
- Optional map or chat link

3. DESIGN STYLE & BRANDING

- **Theme:** Corporate-tech, minimalist, professional, youth-friendly

- **Color Palette:** Deep Blue (#003DA5), White (#FFFFFF), Light Gray (#F5F6FA), Cyan (#00AEEF)
 - **Typography:** Clean, modern sans-serif (e.g., Poppins / Montserrat for headings, Inter / Open Sans for body)
 - **Layout:** Full-width sections, ample spacing, rounded buttons, soft shadows
 - **Imagery:** Rwandan youth, technology training, innovation labs, school activities
 - **Accessibility:** Mobile friendly, WCAG compliant, bilingual ready (English + Kinyarwanda)
-

4. WEBSITE FEATURES & FUNCTIONALITY

- Responsive design for mobile and desktop
 - Clear navigation menu with sticky header
 - Interactive elements (e.g., scroll animations or hover effects)
 - Contact and mentorship forms sending submissions to organization email
 - Search-engine-optimized meta titles and descriptions
 - Social media integration (Facebook, LinkedIn, YouTube, X)
 - Basic analytics integration (optional)
-

5. FUTURE ENHANCEMENTS (Placeholders)

- Mentor dashboard for matching students and ICT professionals
- Newsletter subscription form
- Blog content management area
- Bilingual language toggle

6. CONTENT TONE & MESSAGE

Use an inspiring and professional voice that reflects education, innovation, and youth empowerment.

Emphasize impact statistics, testimonials, and real stories of Rwandan students benefiting from ICT skills and mentorship.

7. ACCEPTANCE CRITERIA

- Fully responsive and fast-loading site
 - All core pages implemented with provided content and branding
 - Forms functioning and delivering emails to info@ikoranabuhanga.tech
 - Consistent visual identity across pages
 - Content accurately reflects Ikoranabuhanga Rigezweho® mission and values
-

FINAL INSTRUCTION

Build a complete mobile first, visually engaging, and functional website for *Ikoranabuhanga Rigezweho®*.

Include all sections and content described above, ensure responsive design, SEO optimization, and easy future updates.

Present the final deliverables with a live preview URL and editable source files.

Here's a **comprehensive page-by-page content plan** — the exact text and structure that (or you can plug directly into the site.

It's designed to reflect our **corporate-tech identity, NST2 & SDG alignment**, and **mission to nurture a young tech-savvy community** — so the website feels authentic, professional, and inspiring.

Ikoranabuhanga Rigezweho®

2. About Page

Who We Are

Ikoranabuhanga Rigezweho® is a Rwandan initiative empowering young people with digital literacy, mentorship, and ethical ICT awareness.

Our work contributes to Rwanda's transformation into a knowledge-based economy by fostering innovation and inclusion.

Our Mission

To equip Rwandan youth with digital skills and mentorship that enable them to succeed in the fast-changing digital economy.

Our Vision

A Rwanda where every young person is digitally literate, ethically aware, and empowered to contribute to national development through technology.

Our Values

- **Integrity:** Promoting ethical and responsible ICT use.
- **Innovation:** Encouraging creativity and problem-solving through technology.
- **Inclusion:** Bridging the digital divide for all communities.
- **Collaboration:** Partnering with schools, government, and NGOs for shared impact.

Alignment with National & Global Goals

Ikoranabuhanga Rigezweho® supports:

- **NST2 Pillar 1 – Economic Transformation:** advancing development through technology.
 - **NST2 Pillar 2 – Social Transformation:** equipping citizens with ICT skills.
 - **NST2 Pillar 3 – Good Governance:** enhancing digital literacy for transparent and effective institutions.
 - **SDG 4 – Quality Education:** ensuring equitable learning opportunities.
 - **SDG 8 – Decent Work:** enabling employability through digital skills.
 - **SDG 9 – Innovation:** fostering creativity and infrastructure development.
-

Founder's Message

“Our goal is to inspire and equip young Rwandans with the tools, knowledge, and mentorship they need to thrive in the digital age.”

– Joe Sure Gasore, Founder & Project Lead
